Teambuilding
Seminars

Workplace Interactive Teambuilding Seminars are an innovative way to enable individuals and groups to achieve personal and team goals...and have **fun** in the process. It was developed by the folks at ComedySportz, who have been entertaining corporations for the last 10 years. WITS is a unique, hands-on approach that will motivate any group to heights of productivity they never thought possible.

WITS PROVIDES:

- ❑ *Teambuilding*
- ❑ *Creative Problem Solving*
- ❑ *Effective Communication*
- ❑ *Group Trust*

In a matter of minutes, we create a low-stress atmosphere where people can relax and learn together. Whether it's a group of individuals who have never met before, or a team that shares the same cubicle every day, the WITS process unites and inspires participants to interact more efficiently. Through a unique combination of exercises, drills and activities, WITS helps groups unleash the energy that makes teamwork a success.

PROFESSIONAL ENTERTAINMENT

COMEDYSPORTZ

Live Improvisational Comedy

•Perfect For Any Event!

ComedySportz is the award winning interactive comedy show where teams of performers improvise an entire show all based on audience suggestions. It's **clean**, fast and fun for all audiences. Performances can be custom tailored for any group.

SCRAPBOOK

*•Ideal for Roasts, Anniversaries, and
Award Ceremonies*

Important moments of the featured guest's life are re-enacted just the way they remember ...with a little artistic embellishment. First dates, worst jobs, most embarrassing moments....you see it all live!
